IT'S COMING! THE 12TH ANNUAL

Take Your Child to the Library Day

Saturday, February 4, 2023

www.takeyourchildtothelibrary.org

Welcome to your library! 2023 ushers in a new Strategic Plan for SCPLS; we are thrilled to make our libraries better for the SCPLS community. I like to think that public libraries are here to not only offer books, but tools that encourage life-longer learning, to help transform lives for the better. Our staff is here to help you find what you are looking for; we have resources to help your job search, maintain your vehicles, look up family history, and more! Looking for family fun? We hope you experience the joy of discovering something new at SCPLS, whether it be in one of our programs or using our online resources like Hoopla or Over Drive. Want to take up a new hobby, like baking? Check out our Library of Things and all the fun cake pans! Build something with our 3D-Printers, or create something to display in our Lego League. We have something here for all ages!
